M-ERA.NET Joint Call 2024

- 35 national and regional funding organisations are participating with an indicative total budget of more than 35 Million €

Schedule:

- 5 March 2024: Call launch
- 14 May 2024, 12:00 (noon) Brussels time: deadline for Pre-Proposal submission
- 20 November 2024, 12:00 (noon) Brussels time: deadline for Full-Proposal submission
- Spring 2025: start of funded projects

Topics:

- Sustainable advanced materials for energy
- Innovative surfaces, coatings and interfaces
- High performance composites
- Functional materials
- Materials addressing environmental challenges
- Next generation materials for advanced electronics

Horizontal objectives for the Call 2024:

- Support the European Green Deal by increasing attention to clean energy technologies and future batteries
- Support the achievement of Sustainable Development Goals
- Socio-ecological benefits in the context of Responsible Research and Innovation (RRI)
- Support for the innovation chain
- Strengthen interdisciplinarity

Procedures, countries, budgets, documents:
